

# Solutions Bank

A free tool to discover nearly **1,900 proposed solutions** to longstanding global problems.

The MacArthur Foundation invited organizations to **think big** . . . and they did. Organizations from around the world submitted proposals about how to tackle some of our most significant problems. One will win a \$100M grant; the others remain optimistic about the future.

## PROPOSALS RECEIVED FOR THE TOP FIVE SUBJECTS

**COLLABORATE**

Find others who are tackling the same problem you are.

**INVEST**

There are viable solutions to today's big problems; how can you back them?

**LEARN**

Ground solutions in tested ideas by reading evidence-based research.

## Get inspired.

Approach problems from new angles.  
 Offer funding and support in bold ways.  
 Connect and conspire with others.  
**How will you think differently, and big?**
